UKSC Sugar Packet Exchange Meeting

The UK Sucrologists' Club 2018 exchange meeting will be held at Gorse Hill Baptist Church, our 4th time at this venue.

The meeting is **from 10am to 2.30pm** but participants may arrive and leave at any time during the day.

Tea and coffee will be available but you may wish to bring your own packed lunch.

UKSC does not endorse the buying and selling of packets. Participants at exchange meetings set out their surplus packets on a table and are then free to wander around the other tables taking any packets they require.

Swapping is not done on a one for one basis, collectors are usually happy for other participants to take whatever they want.

Sorting packets by country and arranging them in shallow trays or boxes is generally the most helpful.
